

Moira Allied Health Educator 24 hours per week (3 days per week)

The Role

The Moira Allied Health Educator works in collaboration with Allied Health Professionals across the 4 Health organisations within the Moira Shire, and relevant educational institutions to manage and coordinate undergraduate clinical placements and support staff in the development and practice of their supervisory skills. The position is in partnership with the University of Melbourne, School of Rural Health and the role will be supported by the University to achieve relevant outcomes.

The position also works collaboratively to promote inter professional education and provide high quality learning opportunities using a range of modalities which enables students and graduates to practice as safe, confident and accountable professionals.

The applicant will be employed by and situated at Cobram District Health (or alternatively Numurkah District Health Service or Yarrawonga Health by negotiation) and will report to the Director of Clinical Services.

To be successful

It is expected that the successful applicant will possess:

- Tertiary qualifications in relevant professional area qualifying for practice / registration in relevant Allied Health discipline
- Education qualifications or willingness to work towards same, including Certificate IV in Training and Assessment
- Recent and relevant experience in the development, coordination, and implementation of education programs utilising a range of learning modalities would be an advantage.

Competitive Salary and Conditions will be negotiated dependent of qualifications and experience.

Partner organisations welcome diversity and promote Equal Opportunity and puts in place inclusive and flexible recruitment and retention practices. Please contact the HR Office on (03) 5871 0703 if you would like to discuss further.
