

CLINICAL IMPLEMENTATION FACILITATOR

- **NFP Salary Packaging; work/life balance**
- **Parkville base (initially working from home)**
- **Part-time/Full-time (0.8 – 1.0 FTE) fixed term until 30 Jul 2021; possibility of renewal subject to funding**
- **Leading organisation in youth mental health**

Are you a clinical facilitator, with the ability to support the development of a world's first service implementation project? Here's your chance to work for the organisation leading the way in digital youth mental health and to help make a difference!

About the role and its impact

As the Clinical Implementation Facilitator, you will engage with Victoria's state-funded youth specialised services to support the implementation of Orygen Digital's Moderated Online Social Therapy (MOST) application. Utilising your in-depth knowledge of youth specialised services in Victoria, you will work closely with these services to provide this support, promote MOST and liaise with MOST Champions within each service to solve implementation challenges as they arise.

Experience supporting the implementation of new initiatives within a clinical context is desirable however not essential. You will however possess well-developed communication and engagement skills to work with a range of services, as this position requires the ability to influence others and work closely and train other mental health professionals.

As a guide, remuneration of \$70,000 - \$85,000 per annum pro rata plus superannuation is offered, dependent on skills and experience; NFP generous salary sacrificing opportunities are also available to the successful candidate.

Please refer to the Position Description below for the selection criteria and other duties, skills and experience required for this position.

About you

To be considered you will need:

Tertiary qualification in a relevant discipline including psychology, social work, occupational therapy, mental health nursing and/or other mental health profession with eligibility for appropriate membership with accredited registering body.

Experience working in a specialised youth mental health service.

Extensive understanding of the operations and processes of specialised youth mental health services.

Ability to build and develop strong working relationships with internal stakeholders.

Experience in training and/or public communication.

A capacity to work independently in a fast-paced environment, working to appropriate timelines.

Demonstrated sound judgement and excellent problem solving abilities.

Strong ability to communicate and influence others within a clinical context.

Passionate about digital interventions in youth mental health, including MOST.

About us

Orygen is the world's leading research and knowledge translation organisation focusing on mental ill-health in young people. Find out more on our [website](#).

headspace is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds, along with assistance in promoting young peoples' wellbeing. This covers four core areas: mental health, physical health, work and study support and alcohol and other drug services. Find out more on the headspace [website](#).

Orygen is an equal opportunity employer. We are dedicated to attracting, developing and retaining our staff irrespective of gender identity, ethnicity, sexual orientation, disability and age. Applications are encouraged from all sectors of the community. We strongly encourage applications from the Aboriginal and Torres Strait Islander community.

Orygen is committed to providing an inclusive work environment that supports employees to achieve their career goals without compromising their life goals. With this in mind Orygen offers a range of employment benefits including generous paid leave, flexible work arrangement, access to NFP salary packaging and an employee assistance program.

How to apply:

To apply for this role, please submit your resume, cover letter and a document addressing each essential and desirable bullet point in the Key Selection Criteria which is located in the position description to careers@orygen.org.au, using the subject line: '**Clinical Implementation Facilitator**', followed by your '**full name**'.

For a private and confidential discussion, please contact Dan Code at dan.code@orygen.org.au.

Closing Date for Applications: **Friday 25th September 2020, 11:55 PM AEST.**

Orygen reserves the right to close the advertisement before this date is reached. Therefore, it is encouraged that you submit your application as soon as possible.
