Background:

The University of Melbourne Student Union Inc. (UMSU) is an incorporated association and is recognised by the University of Melbourne as the representative body for all students. UMSU is governed by an elected Students’ Council and twelve committees elected by and from students. UMSU is responsible for a broad range of student representative, student engagement and student support activities.

UMSU operates under the principles of Student Unionism which are broadly defined as student control of student affairs.

UMSU staff are organised within five Divisions:

- Advocacy & Legal;
- Arts & Culture;
- Communications, Marketing and Events
- Clubs and Volunteering; and
- Office of the Chief Executive Officer

Each Division is supported by a Student Advisory Group that is comprised of elected student representatives and designed to support ongoing collaboration between UMSU staff and elected student representatives. Student Advisory Groups provide feedback and advice from a student perspective to enhance participation in UMSU operated programmes and services.

The UMSU Constitution establishes that UMSU will:

1. advance the welfare and interests of students;
2. represent students of the University within the University and to the community;
3. provide amenities and services, principally for students and other members of the University community, and incidentally to the public.
4. provide an independent framework for student social and political activity;
5. develop, maintain and support student clubs, societies and associational life generally;
6. promote and defend the rights of students to education on the basis of equality, without regard to race, colour, sex, sexuality, gender identity, age, physical disability, mental illness, economic circumstances, political religious or ideological conviction, or national or social origin;
7. oppose violence and/or hatred through militarism, nationalism, or discrimination on the basis of race, colour, sex, sexuality, gender identity, age, physical disability, mental illness, economic circumstances, religion, or national or social origin;
