

## FRONT-END ENGINEER / DEVELOPER

- NFP Salary Packaging options; work/life balance
- Part-time (0.8 - 0.9 FTE) to full-time fixed term position for 12 months
- Leading organisation in youth mental health; CYMH

Are you an experienced Front-End Engineer / Developer, wanting to help make a difference? Here's your chance to work for the organisation leading the way in digital mental health!

### About the role and its impact

Part-time (0.8 – 0.9 FTE) to full-time fixed term position available for 12 months with the possibility of renewal dependent on funding.

We believe that all young people deserve to grow into adulthood with optimal mental health. Everything we do is focused on that outcome, pioneering new, positive approaches to the prevention and treatment of mental disorders.

As the Front-End Engineer / Developer, your contribution will help to ensure a positive user experience of the Moderated Online Social Therapy (MOST) web application. You can achieve this by contributing to the ongoing development and enhancement of our MOST web application, and supporting our JavaScript-based front-end web development.

As a guide, remuneration of \$70,000 - \$85,000 per annum is offered, dependent on skills and experience; NFP generous salary sacrificing opportunities are also available to the successful candidate.

Please refer to the Position Description in the link <https://bit.ly/2Xkhhri> for the selection criteria and other duties, skills and experience required for this position.

### About you

As a Front-End Engineer / Developer, you will have:

An understanding of web browser and device / platform capabilities and inconsistencies;

An understanding of the common causes of front-end performance issues in web applications;

Knowledge of strategies to mitigate the impact of network issues on Progressive Web Applications;

A sound level of professional skill and a good understanding of modern office technologies and practices.

### About us

Orygen is the world's leading research and knowledge translation organisation focusing on mental ill-health in young people. Find out more on our [website](#).
