

PROJECT MANAGER - FACILITIES

Your new job

The Project Manager will lead and assist design budgeting, scheduling and coordination of facilities strategic plan, management and development projects that contribute to improved young person care and operational effectiveness.

You will:

- Manage the program, plan, design, budget development, construction and activation of assigned Orygen facilities projects.
- Oversee coordination between design consultants, contractors, and key users.
- Act as liaison between users and project participants including consultants, contractors, vendors, and outside jurisdictional agencies.
- Ensure completion of project is within budget, on schedule and successfully meets all program objectives and appropriate regulations.

What you'll need

You are passionate, energetic and determined to make a difference to health outcomes for young people. In addition, you will bring:

- Bachelor degree in Engineering - Building Science, Architecture, Interior Design or related field and extensive related experience.
- Demonstrated provision of management expertise delivering complex program or large/complex facility management (ideally within health services).
- Highly developed experience in leading and supervision to assigned consultants (architects, engineers, contractors, etc.).
- Extensive experience covering review, assessment and project management of all design work.
- Previous experience in the management and accountability for a project team of 5-10 specialists or work stream team staff.

To view the FULL selection criteria and learn more about this opportunity, please go to www.orygen.org.au/About/Work-with-Us to view the Position Description or contact Amro Ibraheim at amro.ibraheim@orygen.org.au for a confidential discussion.

What you'll get in return

- Up to \$180,000 p.a. + 10% super + NFP salary packaging up to \$15,900
- Ability to purchase additional leave; access to EAP; generous Parental Leave Scheme.
- Flexible work to suit your lifestyle and access to policies and tools that support this
- Opportunity to influence and drive change in a purpose led organisation.

Orygen – leading the revolution

Imagine a future with unlimited potential. A future where every young person enjoys optimal mental health as they grow into adulthood. At Orygen, this is our life's work, because we passionately believe it's what all young people deserve.

Every step of the way, young people and families are at the heart of everything we do. Always. Through world-leading research that creates change. Through pioneering reform that delivers real-world practical solutions.

At Orygen, that's the future we're creating right now. To do it, we have revolution in mind.

Join the revolution

If you're keen to join Orygen and be part of our team challenging the status quo and reshaping the future for young people, apply now.

Please refer to the position description and submit your cover letter addressing the key selection criteria and resume to careers@orygen.org.au, using the subject line 'Project Manager - Facilities' followed by your 'full name'.

Closing Date: Sunday 7 November 2021, 11:55 PM AEST.

Orygen is dedicated to gender equality, diversity and inclusivity. We strive to continue to build a culturally safe workplace where our values underpin the way we work and our commitment to First Nations people of Australia, young people and their families, LGBTIQ+ people and CALD people. We strongly encourage applications from the First Nations people.
