Hon. Fred Chaney and A/Prof. Mark Daniell (President RANZCO), October 2017.
Minister Fiona Nash with Faye Clarke (Chair BADAC), November 2015, Canberra.
Brisbane.
Dame Quentin Bryce and Matthew Cooke (Chair NACCHO), November 2014, Hobart.
Lisa Briggs (CEO NACCHO), November 2013, Hobart.
November 2012, Melbourne.
Mick Gooda (Aboriginal and Torres Strait Islander Social Justice Commissioner), Adelaide.

More Needs To Be Done

We can Close the Gap for Vision by 2020 and then end avoidable blindness and vision loss by 2025.

2017-2018
2018-2019
2019

Diabetic Retinopathy

Refractive Error

Eye Exams: % of Need Met Over Time (June 2019)

Progress

Indigenous Blindness Rate Compared with Other Australians (June 2019)

More Needs To Be Done

The patient journey is like a leaky pipe. We need to fix all of the leaks or it will still continue to leak. We are making good progress and so far, 21 recommendations or leaks have been fixed.

Roadmap Progress

Roadmap implementation underway in all jurisdictions. Eye health overview groups commenced in 7 of 8 jurisdictions. Activity is underway in over 55 regions covering over 80% of the Indigenous population.

Recommendations Completed

Roadmap Recommendation Progress

50% of recommendations and 78% of activities completed.

Surgery: Median Wait Time by Jurisdiction Days 2015-2017

Trachoma

Reported Prevalence of Trachoma in Children

Cataract

Cataract Surgery: Indigenous % of Need Met 2014-2016 and 2015-2017 (June 2019)

Roadmap Progress

Roadmap implementation underway in all jurisdictions. Eye health overview groups commenced in 7 of 8 jurisdictions. Activity is underway in over 55 regions covering over 80% of the Indigenous population.

Recommended Changes

We need to fix all of the leaks or it will still continue to leak. We are making good progress and so far, 21 recommendations or leaks have been fixed.
