

## REGISTERED CAMPAIGN REPRESENTATIVES STUDENT ELECTED MEMBER OF COUNCIL ELECTION

as at 1pm Wednesday 29 April 2026

Candidates can nominate up to four representatives who may campaign on their behalf. 'Campaigning' includes all activity designed to promote the interests of any candidate or influence the result of the election, including but not limited to, the production of any written or electronic campaign material. Candidate representatives must be students appearing on the electoral roll and must not be paid for campaigning. Only the candidates themselves and their nominated representatives may campaign in the election.

Nominated representatives must be registered with the Returning Officer at least 24 hours prior to the time when they begin campaigning. The list of candidate representatives will be published online by the Returning Officer when the ballot opens and updated when required. Candidates are responsible for the conduct of those campaigning on their behalf.

Please refer to the [Election Campaign Conduct Guidelines](#) for further information.
