

CLINICAL SERVICES MANAGER

- NFP Salary Packaging options; work/life balance
- Part-time (0.8 FTE) to full-time fixed term position for 12months
- Leading organisation in youth mental health

Do you have experience managing and leading a clinical workforce, with the ability to lead the continued development and the delivery of clinical support on our online platform? Here's your chance to help make a difference in digital youth mental health!

About the role and its impact

Part-time (0.8 FTE) to full-time fixed term position available for 12 months with the possibility of renewal dependent on funding.

We believe that all young people deserve to grow into adulthood with optimal mental health. Everything we do is focused on that outcome, pioneering new, positive approaches to the prevention and treatment of mental disorders.

As the Clinical Services Manager, your contribution will be to lead the delivery of clinical support on Orygen Digital's Moderated Online Social Therapy (MOST) platform. This role will work closely with supervisors and peer and vocational coordinators to ensure that high-quality support and safe practice is being delivered. You will also lead the continued development of the MOST service model blueprint and clinical care model and associated materials as required, while engaging in overall project delivery activities.

You will possess a high level of capacity and experience managing and leading a clinical workforce, possessing extensive experience working in a clinical setting within the Victorian youth mental health system.

As a guide, remuneration of \$110,000 - \$130,000 per annum pro rata is offered, dependent on skills and experience; NFP generous salary sacrificing opportunities are also available to the successful candidate.

Please refer to the Position Description below for the selection criteria and other duties, skills and experience required for this position.

About you

Fully qualified Psychologist, Social Worker, accredited mental health Occupational Therapist or other mental health professional with eligibility for appropriate membership with accredited registering body.

Extensive experience working in a clinical setting within the youth mental health system, including extensive experience within leadership roles.

Experience supervising psychologists, social workers, and allied mental health professionals.

Ability to build and lead a team to deliver a high standard of client care and support.

Understanding of contemporary clinical practices, health practice legislation and professional ethical standards.

Current APHRA registration.

Approved supervisor with the Psychology Board of Australia.

Experience working in a multidisciplinary team setting.

Experience training and mentoring clinical staff.

Experience in service model design.
