1. POSITION SUMMARY

The Service Improvement Officer will work with people receiving services from Orygen, their representatives and our service providers (Orygen employees and their partners) to resolve concerns and make positive improvements for people receiving care. The role will support the clinical service complaints and compliments handling function of Orygen through a range of complaint resolution techniques including early resolution, service provider resolution, conciliation and investigation. The overall purpose of the role is to receive, understand and respond, to the feedback associated with the clinical services of Orygen, and to help drive improved client experience and contribute to service improvement.

This role will support the Clinical Safety and Quality Manager in their responsibilities for leading Orygen accreditation activities, and continuing to drive the highest standards in safe and quality care across Orygen.

2. POSITION CONTEXT

Orygen delivers cutting-edge research, policy development, innovative clinical services, and evidence-based training and education for the mental health workforce to ensure that there is continuous improvement in the treatments and care provided to young people experiencing mental ill-health.

We are a complex organisation. Our activities and workforce are diverse and include:

- Five headspace centres in Craigieburn, Glenroy, Melton, Sunshine and Werribee that deliver primary clinical services to young people and are operated by Orygen.
- The Centre for Youth Mental Health, a University of Melbourne research and teaching department that is wholly seconded into Orygen. Centre staff are provided with Orygen email addresses and have the use of Orygen systems.
- Orygen Specialist Program (formerly referred to as Orygen Youth Health Clinical Program), a tertiary clinical service that is currently operated by North Western Mental Health, co-located with us at Parkville, Sunshine and Glenroy and also operating at sites in Footscray, and Wyndham. Whilst not under the governance of Orygen, Orygen Specialist Program works in close partnership with us.
- Orygen Digital, which develops and rolls out online clinical platforms that are fully integrated with ‘in-person’ clinical services.
- A training and development unit providing online and face to face training for the mental health workforce both nationally and internationally.
• A policy think tank drawing on Orygen's research and clinical expertise and partnering and collaborating with key content experts from Australia and around the world to advise government policymakers.
• Centralised professional support functions enabling the organisation to achieve strategic and operational objectives.

The outcomes of the Royal Commission into the Victorian Mental Health System enable a revolutionary new era of reform in mental health that will at last see youth mental health progress in the direction that we have pioneered together over the past 30 years.
